PROFESSIONAL SUMMARY

Motivated BCA final-year student with hands-on experience in full-stack web development. Proficient in building responsive, feature-rich web applications using HTML, CSS, JavaScript, Python (Flask), and MySQL. Demonstrated ability to deliver end-to-end projects independently, including user authentication, admin panels, and UI/UX design. Eager to contribute technical expertise and a strong problem-solving mindset to a dynamic development team.

TECHNICAL SKILLS

Frontend Languages

HTML, CSS, JavaScript, React

Backend & Database

Node.js, Express.js, Python (Flask- Basic), REST APIs, MySQL

Tools & Technologies

Git, GitHub, VS Code, Postman

Other Skills

Responsive Design, UI/UX Principles, Debugging, Client-side Validation

AI Tools

ChatGPT, Gemini, GitHub Copilot, Cursor AI

PROJECTS

Fitness Web Application

2026

Tech Stack: *HTML, CSS, JavaScript, Python (Flask), MySQL*

- Developed a full-stack fitness website with a secure user authentication system
- Designed a responsive UI featuring a dark/light mode toggle for enhanced user experience
- Implemented workout plans, progress tracking dashboard, and daily task management features
- Built an admin panel to manage user data, content, and activity monitoring
- Integrated MySQL database for efficient data storage and retrieval.

Book Management REST API

2025

Tech Stack: *Node.js, Express.js, JavaScript*

- Built a RESTful API supporting Create, Read, Update, and Delete (CRUD) operations for book records.
- Implemented structured routing, request handling, and data validation.
- Tested API endpoints using Postman.
- Followed REST architecture principles and modular backend design practices.

GitHub: github.com/nidhisingh8779045307/book_management

Private Note App

2025

Tech Stack: *React, Firebase*

- Developed a secure note-taking application with user authentication and private note management.
- Implemented CRUD operations for creating, updating, viewing, and deleting notes.
- Integrated database storage for secure persistence of user data.
- Designed a responsive and intuitive user interface.
- Applied authentication and authorization to ensure note privacy.

EXPERIENCE

Web Development Intern | Company (45-Day Programme)

2025

- Gained practical experience in frontend development on real-world website projects
- Worked on website structures, layouts, and responsive design implementation
- Enhanced debugging and problem-solving skills through hands-on project work

EDUCATION

Bachelor of Computer Applications (BCA)	Shri M.D. Shah Mahila College of Arts, Science & Commerce	Completed
Higher Secondary Certificate (HSC) — Commerce	Alpha Jr. College of Science and Commerce	Completed
Secondary School Certificate (SSC)	Angel Land High School	Completed

SOFT SKILLS

- Problem Solving
- Quick Learning
- Adaptability
- Time Management
- Team Collaboration
- Communication

LANGUAGES

English, Hindi
